- Development and implementation of Eating Disorders comprehensive care programming.

Psychology Resident – Pediatric Psychology – September 1, 1999 – August 31, 2000

Altru Health System – Altru Clinic DeMers
Department of Psychology and Behavioral Science
Grand Forks, North Dakota, 58206

Licensed Supervisors – Trudi Sprunck Till, Ph.D., Robert Laidlaw, Ph.D., Alison Tait, Ph.D., & Malva Waters, Ph.D.

- Provided comprehensive pediatric psychology services through outpatient, inpatient, and consultative models.
- Supervised clinical services included psychological assessment and evaluation, neuropsychological assessment, behavioral treatment, and consultation services for a wide variety of pediatric behavioral concerns including adjustment to illness, behavior challenges, childhood and adolescent mental health concerns, as well as psychosocial adjustment.
- Development of Eating Disorders comprehensive care programming with committee involving Jacob Kerbeshian, M.D., Kim T. Suda, Ph.D., Mary Short, Ph.D., and interdisciplinary specialists.

Psychology Intern – August 1998 – August 1999

Children's Hospital, Inc. (Now Nationwide Children's Hospital) – APA Approved Internship Program
Department of Psychology, Columbus, Ohio, 43205

Primary Supervisors – Kathleen Lemanek, Ph.D. & Anne Wallace, Ph.D., Consultation Service Co-Directors

Margo Adams Larsen, Ph.D.

Keith Owen Yeates, Ph.D., Director of Neuropsychology

- Provided pediatric consultation services to all hospital departments, including Hematology/Oncology, Physical Medicine and Rehabilitation, Gastrointestinal, Emergency Department, Neurology and Neurosurgery, Pediatric Intensive Care Unit, Burns Unit, Surgery, Renal, Pulmonary, Endocrine, Cardiology, Infectious Diseases, and General Medicine.
- Provided pediatric neuropsychology assessments through the Department of Psychology, Division of Neuropsychology.
- Provided behavioral treatment plans for feeding and eating disordered inpatients and outpatients.
- Provided outpatient psychological services through the Department of Psychology.
- Provided consultation services to outpatient medical clinics including Behavioral/Developmental Pediatrics, Psychiatry, Ambulatory Pediatrics, and MR/DD Clinic.
- Provided behavioral treatment planning and consultation for early behavioral intervention of Autism and Pervasive Developmental Disorders in the Autism Behavior Clinic.
- Provided outpatient group services through Infectious Diseases Clinic, for children and families coping with HIV and AIDS.
- Pediatric psychology experiences involved over 2000 training hours, including a rotation through Children's Hospital Guidance Centers.

Graduate Therapist (*Advanced Position*) - May 1998 - August 1998

Western Michigan University Psychology Clinic

Department of Psychology, Kalamazoo, Michigan, 49008

Supervisor - C. Richard Spates, Ph.D., Director of Training

- Provided child and family therapy for clients, ranging in age from toddler to adult.
- Provided observation and practical training experiences for graduate student therapists in practicum training.

Psychology Intern - September 22, 1997 - August 10, 1998

Fort Wayne Neurological Center

Neuropsychology Division

2622 Lake Avenue, Fort Wayne, Indiana

Supervisors - Ronald N. Williams, Ph.D., Director of Neuropsychology Division, and Diana Osborne, Ph.D.

- Performed neuropsychological assessment and provided neuropsychological reports for children through senior adults.
- Observed neurosurgery (lateral and frontal meningioma resection).
- Provided individual and group therapy, parenting skills, and rehabilitation skills in an outpatient interdisciplinary facility targeting ADHD, LD, autism, seizure disorders, dementias, Parkinson's, brain injury, and tumor.

Group Facilitator - October 1997 - November 1997

Michigan Association for Children with Emotional Disorders

Kalamazoo, Michigan

Supervisor - Helen D. Pratt, Ph.D.

- Organized and conducted weekly group parenting support sessions.
- Assisted parents in developing individualized behavior management programs for children with histories of neglect, adoption, ADHD and/or depression.

Advanced Graduate Supervisor (Master's Level) - May 30, 1997 - August 24, 1997

Western Michigan University Psychology Clinic

Department of Psychology, Kalamazoo, Michigan, 49008

Supervisor - C. Richard Spates, Ph.D., Director of Training

- Functioned in a supervisory role for current graduate student therapists in practicum training.
- Provided live observation and case supervision for both treatment and assessment cases (ages 6-10).
- Attended practicum group supervision meetings.

Consulting Psychologist (Master's Level) - July 1996 - December 1997

Michigan State University/Kalamazoo Center for Medical Studies

Behavioral/Developmental Pediatrics Department, and Attention Deficit Hyperactivity Disorder Clinic

1000 Oakland Drive, Kalamazoo, Michigan, 49008

Supervisor - Helen D. Pratt, Ph.D.

- Provided psychological assessment and therapy to families of children with various behavioral and emotional disorders (ages 4-30).
- Consulted to Teen, Diabetes, and Oral-Cleft Palate Interdisciplinary Clinics (ages 3-18).

Margo Adams Larsen, Ph.D.

- Conducted inpatient and outpatient consultations with pediatricians (ages 3-15).
- Participated in the Behavioral/Developmental Preceptor Team, including teaching, lecturing, providing observational training opportunities, and clinical consultation to pediatric residents, as well as provided supervision and training to psychology practicum students and medical residents.
- Provided grant funded (Kalamazoo Foundation) consultation as a permanent consulting psychologist on the ADHD Multidisciplinary Team providing care to indigent families whose children have severe handicaps and/or Attention Deficit Hyperactivity Disorder, including: IEPC meeting attendance; consultation with various medical and school professionals; psychological evaluations; and development of the position as a practicum for advanced psychology students (ages 3-18).

Consulting Psychology Intern - January 1996 - June 1996

Spectrum Adolescent Behavioral Medicine Program

Michigan State University/Kalamazoo Center for Medical Studies

Supervisor - Helen D. Pratt, Ph.D., Clinical Director.

- Provided long-term individual and family therapy, including compliance training, parent training, and school consultation for patients aged five through eighteen.
- Cases included adjustment disorder, behavioral disorders, and Teen Clinic practical training.
- Conducted pediatric psychological evaluations for referring pediatricians.
- Participated in case presentations and clinical educational experiences.

Psychology Intern - June 1995 - December 1995

Spectrum Adolescent Behavioral Medicine Program

Michigan State University/Kalamazoo Center for Medical Studies

Supervisor - Helen D. Pratt, Ph.D., Clinical Director.

- Provided individual and family therapy with adolescents presenting with depression, aggression, suicide, homicide, adjustment, and behavioral disorders.
- Provided behavioral programming for parenting skills, compliance training, and medically related behavioral problems.
- Consulted to Oncology, Hematology, Hemophilia, and Sickle Cell Anemia Interdisciplinary Clinics, and Multispecialty CMS Clinic, providing psychological screening services.
- Interacted in didactic teaching experiences with medical students and medical residents on psychological aspects of treatment, psychosocial implications, psychological case presentations, including treatment participation.
- Organized and conducted a Pediatric Psychology Clinic evaluating pediatric referrals from an outpatient Pediatric Medical Clinic.

Student Therapist Supervisor - June 1995 - August 1995

Summer Autism Program, 1995

Kalamazoo, Michigan

Supervisor - Patricia M. Meinhold, Ph.D.

- Responsible for case management of four autistic children attending an intensive behavioral treatment program which ran 3 half-days per week for eight weeks (ages 3-7).
- Provided behavioral treatment protocols to develop speech and language skills, play and social skills, kindergarten and grade one readiness skills, and imagination skills.
- Supervised undergraduate students performing trial based training.
- Performed psychological evaluations for autistic children participating in the summer program.

Clinic Associate - January 1995 - June 1995

Western Michigan Psychology Clinic

Department of Psychology, Kalamazoo, Michigan, 49008

Supervisor - C. Richard Spates, Ph.D., Clinical Training Director.

- Conducted all intake interviews with persons seeking outpatient psychological services.
- Assessed mental status, presenting concern, and appropriateness for clinic for child, adolescent, and adult cases.
- Administration duties included client record tracking, monthly inventories, ordering of materials, orientation of new clinic staff and researchers, and policy and procedure development and implementation.

Student Therapist - August 1994 - August 1995

Western Michigan University Psychology Clinic

Department of Psychology, Kalamazoo, Michigan, 49008

Margo Adams Larsen, Ph.D.

Supervisors - Kevin J. Armstrong, Ph.D.; Patricia M. Meinhold, Ph.D.; and Malcolm Robertson, Ph.D.

- Provided individual therapy, parent training, family therapy, and psychoeducational evaluations for clients aged 3 through thirty.
- Diagnostic presentations included ADHD, behavioral problems, depression, anger problems, and adjustment disorders.
- Conducted psychological and neuropsychological evaluations with children and adults.

Private Behavioral Tutor - July 1994 - June 1995

Home Therapy Program, Kalamazoo, Michigan

Supervisor - Patricia M. Meinhold, Ph.D.

- Tutored an autistic child (age 3) who participated in the Summer Autism Program.
- Administered behavioral procedures designed to increase speech, language, play, and social skills development, including toileting skills.

Student Therapist - June 1994 - August 1994

Summer Autism Program, 1994

Kalamazoo, Michigan

Supervisor - Patricia M. Meinhold, Ph.D.

- Responsible for individualized case management for two autistic children (age 2 - 3), targeting speech, language, play, and social skills development.
- Supervised undergraduate volunteers working with autistic children in an intensive outpatient behavioral treatment program which ran 3 half days per week for 8 weeks.
- Provided psychological assessments for autistic children enrolling in the program.

Pre-Practicum Student Therapist - August 1993 - December 1993

Western Michigan University Psychology Clinic

Department of Psychology, Kalamazoo, Michigan, 49008

Supervisor - Patricia M. Meinhold, Ph.D.

- Responsible for learning behavioral procedures based on Lovaas methods.
- Implemented behavioral programs targeted at increased language, and the development of play and social skills in a three year old autistic child.
- Conducted home program evaluation.

SPECIALTY TRAINING

Using Behavior Analysis in EIBI Programs (eLearning) – CARD Education Program – Completed 2013

Neuropsychology of Epilepsy and Epilepsy Surgery – NANOnline Distance Learning (16 CE Credits) –completed August 2011

Clinical Neuroanatomy – NANOnline Distance Learning (30 CE credits) – completed August 2006

Risk Management for Psychologists – April 2003

HIPAA for Psychologists – February 2003

Red Cross Mental Health Certification – December 2001

Intervention with Children & Adolescents following Traumatic Events – April 2001

Internship in Pediatric Neuropsychology – August 1998 – August 1999

IRB CERTIFICATION

Completed Sections Required for Principle Investigator Status from CITI courses – 2002, 2004, 2007, 2015, 2018, 2021, 2022

CE PROGRAM DEVELOPMENT

The Regulatory Academy (2022) & Case Conversations – September 2021 – present

The Atkinson Firm

- Responsible for creation of live and on-demand curriculum and program offerings, including speaker coordination, presenting on various topics and issuance of continuing education certificates. **The Regulatory Academy** is a 13 module training program relevant for members of the regulatory community covering the Purpose of Regulation, Mindsets & Mission, Obligations of a Regulator, Roles & Hats, Collective Wisdom -Singular Voice, Conflicts and Resolutions, The Birthplace of Regulation, Why are Judge(ment)s Important?, Applications & Renewals, SOE – Standard Operating Efficiencies, Essence of Board Communication, Leadership & Evolution, and Regulatory Community: Its' a Small World. **Case Conversations** are monthly 30 minute mini-seminars based upon legal cases relevant to the regulatory community and administrative law enthusiasts.

RESEARCH EXPERIENCE

Director of Research & Training – July 2018 – present

Virtually Better, Inc.

- Research Psychologist responsible for grant writing, grant administration and principle investigator for VBI for various grant-funded activities (see biosketch). Responsible for the management of NIH/NIMH awarded projects, developing new research collaborations for innovative technology, and liaison between research and design teams to bring prototypes to functioning assessable to prove concepts for commercialization. Responsible for coordination of commercial training products and CE approvals. Additional product development, sales, and training services provided as well.

Director of Research– April 2015 – July 2018

Virtually Better, Inc.

- Research Psychologist responsible for grant writing, grant administration and principle investigator for VBI for various grant-funded activities (see biosketch). Responsible for the management of NIH/NIMH awarded projects, developing new research collaborations for innovative technology, and liaison between research and design teams to bring prototypes to functioning assessable to prove concepts for commercialization. Additional product development, sales, and training services provided as well.

Clinical Research Associate – May 2007 – July 2008

Center for Health Promotion & Prevention Research

University of North Dakota, School of Medicine and Health Sciences

- Program development for prevention and promotion services, manuscript preparation and research contributor, grant and foundation funding source seeker. Grant funded limited-time position.

Assistant Professor – July 2001 – May 2007

Department of Psychology

University of North Dakota

Research Advisor

- Co-Chaired Dissertation Committee for Matthew Myrvik titled "A Behavioral Intervention Targeting a Reduction in Parent and Child Distress During a Routine Immunization"; 2007.
- Co-Chaired Master's Thesis Committee for Matthew Myrvik titled "Behavioral social skills training: An evaluation of adding a concurrent parent training group"; 2005.
- Committee member for several graduate student theses/dissertation projects.

Graduate Researcher - August 1996 – August 1999

Behavioral Pediatrics Laboratory

Western Michigan University, Department of Psychology

Committee - Galen J. Alessi, Ph.D., C. Richard Spates, Ph.D., Helen D. Pratt, Ph.D., Mark Sloane, D.O.

- Conducting dissertation research project at MSU/KCMS titled "Diagnostic issues with Attention Deficit Hyperactivity Disorder: Current diagnostic state and validation of a measure of symptom ratings."
- Project is focused on the DSM-IV criteria for ADHD, identifying these behaviors in normal and asthmatic/diabetic children, and assessing the sensitivity, specificity, and predictive power of these criteria.
- Supervision of two graduate research assistants in the administration of psychological measures and collection of data.
- Supervision of six undergraduate research assistants in the scoring of psychological measures, and coding and data entry.

Graduate Researcher - April 1995 - July 1996

Child Clinical Laboratory

Western Michigan University, Department of Psychology

Committee - Kevin J. Armstrong, Ph.D., Patricia M. Meinhold, Ph.D., R. Wayne Fuqua, Ph.D.

- Conducted thesis research project titled "Attention Deficit Hyperactivity Disorder in adolescents and risk for Human Immunodeficiency Virus infection".
- Project was a survey study of college-aged adolescents and their self-report of risky sexual behaviors and endorsement of ADHD symptomatology.
- Supervised four undergraduate research assistants in collection and coding of data.

Graduate Researcher - June 1994 - August 1995

Margo Adams Larsen, Ph.D.

Summer Autism Program 1994 and Summer Autism Program 1995

Kalamazoo, Michigan

Supervisor - Patricia M. Meinhold, Ph.D.

- Conducted a survey study titled "Measuring changes in parental stress as a result of short-term intensive behavior therapy for their preschoolers with autism".
- Designed to assess the levels of parental stress in individuals with an autistic child.
- Administration of Parental Stress Index pre, during, post, and at a seven month follow-up of the treatment program, for two consecutive years.

Research Associate - April 1994 - July 1994

Michigan Alcohol and Other Drugs Survey Project

Western Michigan University, Department of Sociology

Supervisor - Diana Newman

- Administered the Michigan Alcohol and Other Drugs School Survey to eighth, tenth, and twelfth grade students throughout the state of Michigan.

Graduate Research Assistant - Western Michigan University, Department of Psychology

Clinical Research Laboratory

Supervisor - M. Michele Burnette, Ph.D. (April 1994 - June 1994)

- Trained to administer the Computer Diagnostic Interview Schedule.
- Collected data for a dissertation project assessing mood and anxiety in cardiac patients.

Child Clinical Laboratory

Supervisor - Kevin J. Armstrong, Ph.D. (August 1993 - April 1994)

- Trained and collected data for a Master's Project titled "An investigation of the effectiveness of a substance abuse education program with elementary school children."
- Participated in the development of an empirical review paper of diagnostic criteria used in published studies of Attention Deficit Hyperactivity Disorder.

Research Assistant - June 8, 1992 - August 21, 1992

Western Psychiatric Institute and Clinic

Attention Deficit Disorders Summer Treatment Program

University of Pittsburgh, School of Medicine

Supervisors - William E. Pelham, Ph.D., Betsy Hoza, Ph.D.

- Responsible for data compilation and accuracy in data base files used as diagnostic assessment and treatment outcome publications.
- Administered and checked medication administration for a drug treatment protocol.
- Administered psychological measures to children ages six through thirteen.

Undergraduate Researcher - September 1990 - May 1993

Behavioral Medicine Laboratory

University of North Dakota, Department of Psychology

Supervisor - Jeffrey E. Holm, Ph.D.

- Conducted Senior Thesis project titled "The perception of social/sexual cues in a college-aged population: The effects of gender and education level". (Passed 1993).
- Supervision of two undergraduate research assistants.
- Administered dissertation research by Dawn M. Ehde, M.A., titled "The prevention of AIDS: Assessment and intervention in a heterosexual college population," data entry, and organization and administration of follow-up surveys.
- Scored psychological measures, input data to SPSS-X computer files, and scheduled subjects for pain sensation experiment.

Undergraduate Research Assistant

University of North Dakota, Department of Psychology

Supervisor - Thomas Petros, Ph.D. (January 1993 - May 1993)

- Administered psychological measures to a college students.
- Participated in a readings group on Learning Disabilities.

Supervisor - Mark Grabe, Ph.D. (February 1990 - May 1990)

Margo Adams Larsen, Ph.D.

- Responsible for administration of psychological personality measures and interviewing subjects via an interactive computer link for a Master's Project on self-disclosure.

GRANT EXPERIENCE

Simulated Exposure Trainer (SET-VR): Implementing Targeted Experiential Training with a Virtual Patient – Adams Larsen, M. (PI) & Kemp, J. (PI); R41MY131229 Phase I STTR – NIMH – Submitted January 5, 2022 – Funded 8/4/2022.

Disseminable Evidence-Based Treatment for the Dental Office: Virtual Exposure Tools for Dental Fear (neVR Fear the Dentist™) – Adams Larsen, M. (PI) & Heyman, R. (PI); R42DE030040 FastTrack STTR – NIDCR – Submitted January 5, 2020 – Funded 6/3/2021.

A multidimensional Digital Approach to Address Vaccine Hesitancy and Increase COVID-19 Vaccine Uptake among African American Young Adults in the South – Hightow-Weidman, L. (PI) & Budhwani, H. (PI) - R01 – NIH/MD R01MD016834 – Funded April 20, 2021 – January 2025 (SBC Principal Investigator).

The RightSteps: A Virtual Reality Application/Intervention to Improve Wayfinding in Mild Cognitive Impairment (RightSteps) – Adams Larsen, M. (PI) & Stringer, A. (PI); R43HD088319 Phase I – NIA – Funded 9/1/2019 (1.8 calendar months).

RightSteps: VR Enhanced Strategy Training to Improve Wayfinding After Brain Damage – Adams Larsen, M. (PI) & Stringer, A. (PI); Phase I – NICHD – January 2018 – unfunded.

CRATE: Digital delivery system for evidence-based mental health interventions for youth – Adams Larsen, M. (PI) & Noam, G. (PI); Phase I – NIMH – September 2017 – unfunded.

Anchors Away: A Family-Focused CBT Skills App (Anchors App). Adams Larsen, M. (PI) & Hale, L. (PI); R44MH098470 Phase II - December 2016 – Funded 9/12/2017 (1.8 calendar months).

WheelAccessFit - Adams Larsen, M. (PI) & Crytzer, T. (PI); Phase I – NIDILRR – January 2017 – unfunded.

OC-Go: Facilitating fidelity and dissemination of an EVT for Childhood OCD via an interactive crowd-sourced patient-provider tool. Tuerk, P. (PI) & Piacentini, J. (PI) R42MH111277; Fast-Track STTR – May 2017 – April 2021 (Co-Investigator).

VR Enhanced CBT – Adams Larsen, M. (PI) & Carroll, K. (Co-I). October 2016 – submitted. April 2017 – withdrawn.

Tough Talks - Virtual support for difficult conversations: Using AI to increase HIV disclosure among YMSM – Adams Larsen, M. (PI) & Hightow-Weidman, L. (PI) R44MH104102. September 2016 – Funded 6/15/2017 (1.2 calendar months).

The FAST-App: Using artificial intelligence to personalize food allergy education for young children – Adams Larsen, M. (PI) & McQuaid, E. (PI); FastTrack STTR - September 2016 – revised – unfunded.

Occupational Licensing Review and Portability: Five Focus LEAP – FARB (501c3) (Submitted for \$7.4 million in response to NOI-ETA-16-14). Provided writing assistance. July 2016 – Pending Review – unfunded.

The FAST-App: Using artificial intelligence to personalize food allergy education for young children – Adams Larsen, M. (PI) & McQuaid, E. (PI); FastTrack STTR - January 2016 – recommended resubmission.

Test Rehearsal: Maximizing the HIV testing experience for YMSM to: Improving the HIV testing experience for YMSM – Adams Larsen, M. (PI) & Hightow-Weidman, L. (PI). 1R43HD088319-01. Funded 6/1/2016 (1.2 calendar months).

HIV Prevention for Youth in Mental Health Treatment – Larsen, M. (PI) & Brown, L. (PI). 1R44MH102140-01. 8/1/2015-7/31/2018; Change of PI effective 9/6/2015 (1.8 calendar months).

Tough Talks: A disclosure intervention for HIV+ YMSM – Larsen, M. (PI) & Hightow-Weidman, L. (PI). 1R43MH104102-01. 9/1/2014-8/31/2016; Change of PI effective 10/20/2015 (2.4 calendar months).

Digital Star: HIV Prevention for Youth in Mental Health Treatment - Larsen, M. (PI) & Brown, L. (PI). R44MH102140. 8/1/15 – 7/31/19.

Friends, Family, and Food: Interactive virtual environments for children with food allergies – Larsen, M. (PI) & McQuaid, E. (PI). 5R42HD075524-03. 1/1/13-7/31/2016; Change of PI effective 7/23/2015 (1.8 calendar months).

WheelAccessFit: A smartphone application to prevent obesity in individuals with difficulties with physical functioning – Larsen, M. (PI) & Crytzer, T. (PI). Phase I SBIR submitted May 28, 2015 – unfunded revision.

Web-based CBT for Childhood Anxiety: A family-led approach – McDaniel, D. (PI) & Hale, L. (PI). 5R43MH098470-02 Funded 9/12/2012-6/30/2015 (Research Psychologist).

Experience Success: Virtual reality skills training to enhance e-weight loss –Tuerk & Thomas (listed previously as Col – now Research Psychologist).

Pegasys VR: Integrating Virtual Humans in the Treatment of Child Social Anxiety – McDaniel/Tuerk & Thomas (listed previously as Col now Research Psychologist)

Assessing the Effectiveness of a Novel Treatment for Childhood Nightmares – Bradley, A.R. (PI), Garaas, J. (Co-Inv), Larsen, M. (Co-I). April 2009. R01 proposal (unfunded).

Pink Pony Foundation – January 2008 – unfunded

Grant request for rural community education program (Submitted for \$74,500).

HRSA 07-103 – January 31, 2007; Revised April 9, 2007 - unfunded

The UND Psychological Services Center and Pediatric Psychology Rotation (Submitted for \$110,564).

Office of Instructional Development – 2006 – FUNDED (\$1,500)

Margo Adams Larsen, Ph.D.

Muehlenkamp, J. & Larsen, M. A. "Successful Resolution of Difficult Therapeutic Situations: Creation of teaching materials for graduate psychotherapy courses". University of North Dakota.

Bronson Community Research Fund Grant - August, 1998 – FUNDED (\$3,000)

Bronson Clinical Investigational Unit, Kalamazoo, Michigan, Doctoral Dissertation (Submitted for \$3,000).

Blue Cross Blue Shield of Michigan Foundation Student Award - August, 1998 – FUNDED (\$3,000)

The BCBSMF, Detroit, Michigan, Doctoral Dissertation (Submitted for \$3,000).

Graduate Student Research Grant - October 1997 – FUNDED (\$600)

The Awards and Fellowships Committee, Western Michigan University, Doctoral Dissertation (Submitted for \$600).

Graduate Student Research Grant - October 1995 – FUNDED (\$475)

The Awards and Fellowships Committee, Western Michigan University, Master's Thesis (Submitted for \$475).

RESEARCH HISTORY

Case example of implementing EIBI programming in rural America – July 2011 – May 2012

- Clinical supervisor for a senior research paper documenting the implementation of a successful ABA home-based program for a rural toddler.

Reducing distress and evaluation of distraction techniques during pediatric inoculation – June 2006 – July 2007

- Faculty supervisor for a dissertation research evaluating the use of training methods for distraction treatment during pediatric immunizations.

Effects of Progressive Muscle Relaxation on Blood Glucose Levels of Children with Diabetes Mellitus Attending a Summer Camp – April 2004 – August 2006

- Faculty supervisor for a study in collaboration with the American Diabetes Association (Grand Forks) to assess the impact of a teaching children progressive muscle relaxation training during camp educational seminars.

Biometric, Behavioral, and Historical Factors Related to Blood Glucose Management in Children Attending Diabetes Camp – April 2004 – July 2005

- Collaborator for this project in conjunction with the American Diabetes Association (Grand Forks) to assess risk factors for obesity as well as changes in BGL as a result of general exercise experiences at camp.

Concurrent Parent and Child Approach to Social Skills Treatment – January 2004 – August 2005

- Faculty supervisor for a master's thesis (Co-Chair) treatment outcome study in collaboration with Matthew Myrvik and Dr. Thomas Petros to assess the impact of concurrently teaching parents about social skills to foster maintenance and generalization of social skills in children with social skills difficulties.

Evaluation of a Summer Camp for Children with Diabetes – April 2003 – April 2004

- Principle Investigator for a study requested by the American Diabetes Association (Grand Forks) to assess the impact of a week long summer camp on psychosocial functioning of children with Diabetes. Pre- and post-camp data collected, with a 6-month follow-up scheduled for January 2004.

The Economic Evaluation of Pediatric Psychology – February 2003 – April 2004

- Collaborator with Lori Listug-Lunde, M.A., and Dr. George O'Neill reviewing the cost-effectiveness and economic models of pediatric psychology.

CBT – American Indian Applications – August 2001 – January 2004

- Supervision of graduate student research group focusing on a evaluating the implementation and efficacy of CBT for distress within an American Indian population.

Research Group – August 2000 – January 2003

- Participated in a collaborative research group focusing on developing research in the areas of reading disability, functional vision deficits, and Attention Deficit Hyperactivity Disorder.

REVIEWER

Professional Psychology: Research & Practice; 2020 - present

Journal of General Psychology; 2005 – Ad Hoc Reviewer.

Society for Pediatric Psychology; APA Div. 54, 2003 – Suzanne Bennett Johnson Award.

Society for Pediatric Psychology; APA Div. 54, 2004, 2008 – Division 54 Student Travel Awards for APA Meeting.
